Formed in 1988, Lincoln’s Specialty Care (LSC) is a cooperative effort of the Lincoln Chamber of Commerce and the Lincoln Medical Community to promote Lincoln’s wide array of medical resources to Greater Nebraska and bordering areas of surrounding states. Lincoln’s Specialty Care obtains funding through Lincoln hospitals, health care facilities and participating physician specialists. Our goal is twofold; first, to establish Lincoln as the preferred referral center for these outlying areas, and second, to provide resources that facilitate those referrals.

Please contact us to update physician information, including photos. Changes can be made to our website (www.lincolndocs.com) throughout the year. The physicians and health care facilities listed above represent those that have invested in Lincoln’s Specialty Care and its mission. Physician investors are designated with a box around their photo throughout this directory. To become an investor or for information on advertising in this directory or www.lincolndocs.com please contact us.
